

## **Important Changes to the Sister Annata Brockman School Attendance Area**

Student enrolment at Sister Annata Brockman School has now exceeded building design capacity. All ancillary classroom spaces are occupied throughout the school day and student enrolment projections for next school year are for increased enrolment.

These changes apply only to new families (those families who do not have children registered at Sister Annata Brockman school as of the 2011/12 school year). Siblings of students currently registered at Sister Annata Brockman School may register at the school for the 2012-2013 school year and will be provided with yellow bus transportation to the school.

For the 2012-2013 school year, new students residing north of Whitemud Drive will be designated to schools as follows:

### **Communities of Breckenridge Greens and Potters Greens (between Whitemud Drive and Suder Greens Drive)**

Elementary students to St. Justin School

Junior high school students to H. E. Beriault School

Senior high school students to Archbishop Oscar Romero High School

### **Communities of Suder Greens and Rural West Lewis Farms (north of Suder Greens Drive and south of Stony Plain Road)**

Elementary students to St. Benedict School

Junior high school students to St. Thomas More School

Senior high school students to St. Francis Xavier High School
