Terms and Conditions

1. Students must register to use the Regular Yellow Bus Service and complete a Transportation Application Form. Once a student has registered and is currently using the yellow bus service, another transportation application form is only required as per the above conditions.
2. All students must have a valid monthly or annual bus pass which can be purchased from their school.
3. Students must be eligible for transportation and live within the school catchment area.
4. Parents will be notified if a student is ineligible for Regular Yellow Bus Service.
5. Routes are designed using the closest, safe stop locations (designated school bus zones, transit zones, future transit zones, far side of crosswalks, or far side of intersections) – regular yellow bus service is not a door-to-door service.
6. **Kindergarten and Grade 1 students** – It is the responsibility of the parent to ensure that someone is available to receive a kindergarten or grade 1 student at the schedule drop-off location and time.
7. Parents are responsible to ensure their child’s safety while getting to and from the bus pick-up and drop-off points.
8. Schedules will be distributed to the school, as well as, posted on the District website at www.ecsd.net.
9. Requests to accommodate **more than one** AM or more than one PM address **will not** be considered. However, different AM and PM transportation addresses may be accommodated as long as the address is within the eligible area and provided the address is consistent each day of the week.
10. Students should plan to arrive at their bus stops at least 5 minutes before the scheduled arrival time.
11. Parents must ensure that alternate arrangements are in place in the event that the bus is missed, is late or does not arrive.
12. Severe Weather Conditions - Parents are advised that if a bus does not arrive within 20 minutes of its scheduled time, they are to assume the bus is not coming. Parents must ensure that their child knows to return home or to a pre-selected location and it is the responsibility of the parents to make alternate arrangements to get their child to school.
13. Parents should instruct their children in safety and the rules for riding school buses. A *Guide to Using Yellow Bus Services* is available from schools and the district website. A school bus safety video is also available on the website.
14. Use the **Transportation Change Form** for any subsequent changes (such as cancellation, change in address or contact information). This form is available through your child’s school and/or the District website at www.ecsd.net.
