PROGRAMS

Edmonton Catholic Schools delivers the curriculum of Alberta Education to students within a Christ-centred learning community. There is emphasis on the importance of a strong learning and teaching focus within a Catholic context resulting in the optimizing of human potential for students in our trust.

Our community is a team of the school, home and parish working together. We offer our students a message of hope and growth; living Christian values of faith, hope and charity; respect and compassion; and present teachings of the Catholic Church.

The Edmonton Catholic Schools' experience is more than academic achievement. Christ's teachings inspire our staff to see each child as a precious gift and a sacred responsibility. This is reflected in everything we do ensuring the best learning possible for the children entrusted in our care.
