EDMONTON CATHOLIC SCHOOLS PROVINCIAL ACHIEVEMENT TEST RESULTS 2010/2011 SCHOOL YEAR

1. OUR PHILOSOPHY OF STUDENT ACHIEVEMENT

Catholic education embraces the belief that all students can learn and develop their gifts. Edmonton Catholic Schools approaches all measures of student success from within this philosophical framework. A high value is placed on achievement testing within the context of a vast array of qualitative, quantitative, and informal measures of student success. These are in place to ensure that students are given the highest quality Catholic education and, in turn, the best opportunities to embrace their God-given gifts, talents, and potential in school and beyond.

2. BACKGROUND

The Provincial Achievement Testing Program was implemented to determine how well students are learning what they are expected to learn. The purpose of the program is to provide Alberta Education, educators, parents, and members of the public with information about how well grades 3, 6, and 9 students have achieved provincial standards and to enable Alberta Education, school jurisdictions, and schools to monitor and enhance student learning.

Grade 3 students write tests in English Language Arts and Mathematics. Students in grades 6 and 9 write tests in English Language Arts, Mathematics, Science, and Social Studies. Grade 9 achievement tests are also administered based on the Knowledge and Employability (K & E) programs of study. In addition to English Language Arts, students whose language of instruction is French write French Language Arts (except K & E) as well as the other subjects translated into French. **Aggregated (combined) English and French results are discussed within this report.**

Alberta Education reports achievement results in two formats: partial cohort (number writing) and full cohort (number enrolled). The partial cohort results are based on only those students who wrote the Provincial Achievement Tests. The results based on the full cohort include those students who were absent, excused, or for whom results are not available for any other reason. The 2010/2011 partial and full cohort aggregated English and French results are located in Appendix A, the independently reported English and French results are in Appendix B. The multiyear partial and full cohort aggregated English and French results are located in Appendix C and the independently reported English and French results are in Appendix D.
