- The following guidelines are used by Alberta Education to calculate average class size:
 - Combined grades 3/4 classes are included in the grades 4-6 average.
 - Any combined classes for special education students that involve Grades 2, 3, and 4 are reported in the grades 4-6 average.
 - Students with special education needs who are enrolled in a regular program are included and also special needs classes (i.e. Academic support, Knowledge and Employability, PDP) are included.
 - Team taught classes: Classes that are taught by more than one teacher (at the same time) are counted as multiple classes for the purposes of calculating the average.
 - Pull-out time: If a student or group of students are pulled out of the regular class to work with a teacher for at least 50% of the time this class is offered in a week, those students are subtracted from the class size of the regular class. The pulled-out students are counted as a class of their own.
 - Outreach classes: (i.e. Fresh Start, PASS) and the Registered Apprenticeship Program are not counted in the class size average.
