

Joint Use Agreement Review
Communiqué #17
February 23, 2006

The Joint Use Agreement (JUA) partners (City of Edmonton, Edmonton Catholic School Board and Edmonton Public School Board) JUA Review Team held its seventeenth meeting on February 23, 2006 to continue discussions and designing of the new Joint Use Agreement.

Bill Symonds and Nancy Hackett from Alberta Municipal Affairs provided the JUA Review Team with a detailed presentation about the Municipal Government Act (MGA) as it relates to the Joint Use Agreement. The JUA Review Team was engaged in useful discussion that will assist in the continuation of the JUA Review and designing of the new Joint Use Agreement.

The Sub Committee is working with the Public Consultation Consultant to discuss details, timelines and Review Team's expectations on the Public Consultation relative to Shared Use.

The Review Team began discussions related to the theme of Governance at the February 23 meeting, beginning with the consultants providing the explanation of the process, and the consolidated document package for the Governance discussions.

Collectively the Review Team will continue to provide regular updates on progress as the Partnering Organizations work through the review process to create a new JUA that is reflective of current needs for all partnering organizations.
