Deleted: negotiating

The JUA partners established some criteria for what an improved agreement would include. The team also identified issues to be discussed and possible starting points for the review. In addition, the JUA partners have also identified areas for discussion around enhancements to the current agreement.

Deleted: r the agreement,

Deleted: ,

Deleted: identified

At the next meeting, the JUA partners will revisit the existing JUA document to ensure everyone shares a common understanding of the current agreement. Each partner will also provide information about their respective organization as it relates to the JUA.

The next meeting in January 2005 will begin to explore the identified issues, develop specific action plans and explore stakeholder involvement.

Regular updates on progress of the review will be provided to the partners throughout the review process over the next year.
