

**Joint Use Agreement Review
Communiqué #20 as Amended
May 4, 2006**

The Joint Use Agreement (JUA) partners (City of Edmonton, Edmonton Catholic Schools and Edmonton Public Schools) JUA Review Team held its twentieth meeting on May 4, 2006 to continue discussions and designing of the new Joint Use Agreement.

The Sub Committee reported on their work with the Public Consultation Consultant and the Shared Use Public Consultations meetings. The Review Team members discussed appropriate user organizations (that may want to provide input on the Public Consultation Data) to review the findings and provide input regarding shared use, confirming all sources of input will be considered in as they craft the JUA recommendations.

The JUA Review Team chairperson will be sending out an official invitation to the Francophone School Board to participate in the May 18, 2006 meeting to discuss their interest in joining the Joint Use Agreement partnership. If they accept the invitation the Coordinator and Consultants will arrange to provide orientation for the Francophone Representative/s on the review, progress, and guidelines, in preparation for their attendance at the May 18, 2006 meeting.

The JUA Review Team continued discussions regarding Governance issues. The Review Team again progressively confirmed content and continued clause revisions to be considered for inclusion in the renewed agreement.

Collectively the Review Team will continue to provide regular updates on progress as the Partnering Organizations work through the review process to create a new JUA that best meets current and future community needs.
