

**Joint Use Agreement Review**  
**Communiqué #21**  
**May 18, 2006**

The Joint Use Agreement (JUA) partners (City of Edmonton, Edmonton Catholic Schools, Edmonton Public Schools) JUA Review Team held its 21<sup>st</sup> meeting on May 18, 2006 to continue discussions, review and designing of the new Joint Use Agreement. The Partners welcomed a Representative from the Conseil scolaire Centre-Nord (Francophone School Board).

The Coordinator and Consultants provided orientation to the Francophone Representative for the review, progress, and guidelines prior to the May 18, 2006 meeting.

The Sub Committee reported on their work with the Public Consultation. Edmonton Federation of Community Leagues (EFCL) and the Edmonton Sport Council have asked to review the Public Consultation Shared Use Data and expressed willingness to provide their synopsis and input to the raw data. The Review Team welcomed their input and also invited other groups (that have a broad city wide perspective) to provide input to the data, all in keeping with good consultation practices.

The role of JUA subcommittees in the review process and in developing of the new Joint Use Agreement recommendations was referred to the Steering Committee.

The JUA Review Team continued discussions regarding Governance progressively identifying additional content for inclusion and clause revisions to be considered in the new agreement.

Collectively the Review Team will continue to provide regular updates on progress as the Partnering Organizations work through the review process to create a new JUA that best meets current and future community needs.
