SPORTS FIELDS

Under the Joint Use Agreement, sports fields are reserved for school use until 6:00 p.m. on school days with the exception of staffed facilities which need to be booked. All other usage of fields must be booked through the Edmonton Community Services, Access to Recreation and Sport. The current fees will apply. The number of fields that can be marked is determined by the Council approved budget. Any requests over this level will result in the entire list being referred to the appropriate physical education consultant for reduction.

PLEASE NOTE - YOUR 2007 REQUESTS WILL NOT BE CONFIRMED UNTIL SPRING 2007.

Field marking requests can be made to the Bookings, Information & Registration Unit as well. The number of fields that can be marked is determined by the Council approved Community Services budget. Any requests over this level will result in the entire list being referred to the appropriate physical education consultant for reduction.

WE REQUIRE 10 WORKING DAYS NOTICE FOR FIELD LINING REQUESTS.

Schools wishing to have their fields marked above the approved budget will have to pay the additional costs for this service.
