News Release

Edmonton Catholic Schools enrolment increases

The number of children attending Edmonton Catholic Schools has increased substantially compared to the same time last year.

Today's enrolment is 30,974 students which is an increase of over 1,200 students from last year's enrolment of 29,708 which was also taken on the first day of classes.

'We are grateful that parents and children have chosen Edmonton Catholic School District, and would like to thank everyone for their support,' said Dr. Dale Ripley, Superintendent of Edmonton Catholic Schools.

'Thank you for trusting us to educate and care for your children,' Dr. Ripley went on to say.

A second and final enrolment count will be taken at the end of September.
