News Release

The number of students attending Edmonton Catholic Schools has increased compared to the same time last year.

Today's enrolment is 32,187 students which is an increase of 323 students from last year's enrolment of 31,864 which was also taken on the first day of classes.

"We are extremely pleased and very grateful that parents have chosen to educate their children at Edmonton Catholic Schools," said Joan Carr, Superintendent. "We thank all parents and students for your support and trust in educating and caring for your children," Carr went on to say.

Based on the City of Edmonton projected numbers of school age children, the Edmonton Catholic School District was projecting a small decline in enrolment this year of 171 students in the September 30th/06 enrolment count.

A final enrolment count will be taken at the end of September.
