acrodex

New this year, you can access Windows Pro 7- even before the October 22nd official launching. Windows Pro 7 has increased features to save you time, and is now more user friendly than ever before!

Simply obtaining your personal access key will allow you easy access to acquire *affordable* Microsoft software that will help you stay current at home on the technology that is currently being utilized in your school.

How to Obtain Your Personal Authorization Key:

Students registered with Edmonton Catholic Schools are entitled to a personal authorization key. To obtain this authorization key please call Liz Emery at 780-441-6089 or you may e-mail her at software@ecsd.net. You will be required to provide the following information:

1. Student Name
2. School Name
3. Month of Birth

How to Order Your Software:

Note: Orders for Student Select Licensing may only be purchased online with a valid credit card.

Once you have obtained your personal authorization key, open your internet browser (i.e. Internet Explorer) and enter the following URL:

<https://esales.acrodex.com/SLSOnline/login.aspx>

1. Sign-up using your personal e-mail address
2. Create a password that includes at least 6 characters
3. Enter the authorization key provided to you by Edmonton Catholic School District
4. Print and sign the license agreement
5. Complete your order by submitting the signed copy of your license agreement in one of the two following ways:
 - a. Fax your signed license agreement to 780-429-8685 or toll-free 1-888-429-8685.
 - b. Drop off or mail the signed copy of the agreement to Edmonton Catholic School District:

9807-106 Street, Edmonton AB, T5K 1C2

Attn: Technology Services-Student Select

Important: Your software order will not be processed until we receive the signed copy of the license agreement.

IT'S AS EASY AS 1-2-3!
