

Winter Storm Advisory for Parents

Due to the winter storm warning that is still in effect, the snowfall and wind chill expected to continue into tomorrow morning, we would like to remind parents and guardians that children must be dressed for this cold weather by wearing warm hats, gloves and boots in case they need to wait longer for their bus. It is important that a child knows to return home or to a pre-selected location if the bus does not arrive within 20 minutes of its scheduled time.

For more information, parents can contact their child's school or the District's Transportation Services Department at 780 441-6078. Transportation Services is open from 7:15 a.m. until 5 p.m. Monday to Friday.

For more information call:
