

# District Three-Year Education Plan

## Administrative Regulation 101.1

1. The Edmonton Catholic Separate School District No. 7 shall keep current and implement a three-year education plan consistent with provincial requirements and local needs.
2. When developing its three-year education plan the district is expected to
  - a. build on the provincial vision and mission for education;
  - b. adapt the provincially required goals and results to reflect the unique characteristics and circumstances of the Edmonton Catholic Separate School District No. 7;
  - c. reflect the Alberta Children’s Initiative;
  - d. include other goals, results, performance measures, and strategies that reflect the district’s local needs and circumstances;
  - e. set district targets for student achievement on achievement tests and diploma examinations. Additional targets may be set.
  - f. consult with parents, staff, school council, and community and business representatives in the development of the three-year education plan.
3. When updating the three-year education plan, the district will consider
  - a. the information in its results report and in the provincial three-year plan and annual results report;
  - b. the feed back received from Alberta Education;
  - c. the concerns and suggestions from school councils, parents and the public,
  - d. the allocation of resources to achieve results outlined in the plan when developing its budget; and
  - e. priorities of the leadership team of the district (board of trustees and senior administrative staff).
4. As necessary for measuring performance, the district will conduct surveys of staff, students, parents, and community members.
5. The three-year plan is to be updated and placed on the district Web site by May 31 each year. The complete plan is to be on file and available for Alberta Education monitoring and public review. Stakeholders shall be provided with copies.
