

 **Drama**

Drama is a form of art and a medium for learning and teaching. It develops the whole person—emotionally, physically, intellectually, imaginatively, aesthetically and socially by giving the opportunity to play various roles. The students develop an appreciation of theatre as an art form.

 **Dance**

The dance program is designed to be a sequential and developmental approach to instruction. The aim is to provide beginners, intermediate and advanced instruction in a fun, cooperative, and knowledgeable environment. Students study jazz, hip hop, modern and lyrical disciplines.

 **Video/Photography**

These courses provide students with the opportunities to explore communication through still photography, video and audio. The students are introduced to photography, digital video production, digital video editing, audio editing, graphic design and the world of media.

**The performance season has included:**

- *a trip to Disneyland*
- *trips within Canada*
- *one major musical and play*
- *many choral performances*
  - *dance productions*
  - *band concerts*
  - *art shows*
- *feature artist evenings*
- *dinner theatre*

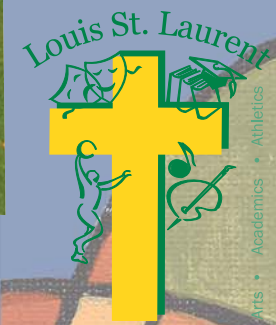

**What can a Fine Arts Focus School offer you?**

The most complete education possible as it expands and opens thoughts to new and extended possibilities and potential. It enables the education of the whole mind.

## What we Offer

As the Edmonton Catholic Fine Arts School, we endeavor to provide instruction and challenges in the arts that go beyond the regular curriculum offered in schools. Music, Drama, Art, Dance, and Video teachers all go further than the norm and provide extraordinary talent, instruction and commitment to the students of Louis St. Laurent. Our students' portfolios have been accepted into prestigious secondary arts schools throughout Canada.

In addition to the Fine Arts focus Program we at Louis strive to meet the needs of the individual by providing programming that will allow each student to reach potential in all courses and activities. Every effort is made to broaden and organize the curriculum to develop all students in their academics, social, physical, and spiritual growth. Our outstanding academic record speaks for itself, as it is one of the best in the city. With thirty-nine athletics teams we offer a comprehensive athletics programs with a proud tradition in excellence established by our Barons.

## Music

The music program provides an opportunity for students to develop an appreciation for music and encourages the skills and discipline necessary for achieving musical success. Students learn the importance of team effort while working cooperatively with fellow members to achieve the high-level goals for Wind Ensemble, Concert Band, Musical Theater, Jazz Band, Concert Choir, and Guitar. These ensembles perform at a variety of levels and offer an outlet to develop the student's self-confidence and performing ability as well as an opportunity to share their talents.

## Art

Visual art is an integral part of society. Studying many different forms and mediums, students will learn new skills and discover their talents. Students apply their creativity to ongoing activities such as covers, banners poster, art exhibits, and demonstrations. Through various disciplines such as sculpture, drawing, ceramics, art history, and graphics, the students will be able to explore and discover their talents.
