**Re: Board Annual Awards Evening June 21, 2011**

On Tuesday, June 21, 2011, the Board of Trustees is pleased to honor members of our school community who have received local, provincial, national and international awards during the 2010–2011 school year.

Twenty-nine students, twenty-nine staff members, three schools, and the District will be receiving awards for outstanding contributions to teaching and learning in the District at the local, provincial, national and international levels.

We are pleased to welcome staff and students who are being recognized and extend a warm welcome to their families and friends! We are honored that some Members of the Legislative Assembly will be presenting certificates from Alberta Education to the Excellence in Teaching Awards winners! The Board thanks and welcomes members of the administration and staff who are here to support the recipients and the District!

Congratulations to all from the Board of Trustees! We are inspired by your achievements and value your contributions to our school community.

**Recommendation**

That the Board of Trustees, at the 2011 Board Awards Evening, acknowledges and commends students and staff for their achievements during the 2010–2011 school year.
