SMUDGING / PIPE CEREMONIES

Background

The District recognizes the spiritual needs of the Indigenous community. The District recognizes that smudging and the use of herbs and tobacco are a part of the Indigenous traditional way of life and are, therefore, permitted in District schools, subject to proper safety measures.

Definition

Smudging is an Indigenous tradition which involves the burning of sage, sweetgrass and/or cedar. Smudge produces a distinct scent, but the smoke associated with it is minimal and lasts a very short time. A smudge is burned to cleanse the body, mind, spirit of any bad feelings, negative thoughts, or negative energy - cleansing both physically and spiritually.

Procedures

1. If smudging is to take place in a District building, principals/supervisors must ensure staff understand the associated protocols and importance of smudging and pipe ceremonies as part of the Indigenous traditional way of life.
