National Indigenous History Month is a time learning about, appreciating, and acknowledging the contributions First Nations, Inuit, and Métis people have made in shaping Canada.

Moccasin and flower artwork are part of a mural entitled 'Standing Sacred' by the students of St. Benedict Catholic Elementary under the guidance of Angie Hall (Artist in Residency). The students explored symbols, learned about Métis Beadwork, explored acrylic paint techniques, used dotting tools, created individual flower coasters, and contributed to the school-wide mural.
