

Flit, A Family Literacy App 4+

Punchcard Systems Inc.

★★★★★ 4.7, 3 Ratings

Free

A great free app to download to support family literacy.

"Early interactions with your children, like sharing books, talking, singing, or playing, help lay the foundation for early language and literacy – essential skills for success.

Parents will find specially tailored and curated activities ranging from reading, recipes, rhymes and games specifically designed to build strong reading, writing and literacy skills in their child, and have FUN doing it!"
