What We Heard

| CRYSTALLINA NERA PRE- PLANNING | ENGAGEMENT | FEBRUARY 2024 |

Background

In March 2023, as part of the Alberta Education's Budget 2023, the Crystallina Nera K-9 Catholic School project received pre-planning funding. This was an important step in the approval process and demonstrated a commitment from the Alberta Government. The project remains a top priority in [ECSD's Three-Year 2024-2027 Capital Plan](#) and will see a new K-9 Catholic school built in the Crystallina Nera neighbourhood in the years to come. The new school once built, will relieve enrolment pressures felt at the nearby Christ the King Catholic School, and meet the growing needs of the northeast community.

ECSD believes all students should have equitable access to high quality and vibrant learning environments and is excited about the opportunity to build a new school in this neighbourhood.

Engagement Objectives

ECSD is committed to successful public participation, which includes sharing information and letting stakeholder voices be heard, with the commitment that stakeholder feedback will be considered before a final decision is made. Each opinion, idea, and voice are valued through this process.

The objective of the Crystallina Nera Programming public participation process was:

- Families of the communities this new K-9 Catholic school will serve provide input on programming which will be used by ECSD and Alberta Infrastructure in designing the school.
- Engagement is solutions-focused, and stakeholders have an opportunity to be heard and provide meaningful input.
- Stakeholders feel that they have been seen, heard, and understood.

Engagement Process

Edmonton Catholic School Division is in the planning phase for a new school in the community of Crystallina Nera. As part of this planning, ECSD is engaged with families in the communities this school would serve to understand the types of programming they would like to see offered at the new school.

The online survey was open from February 7, 2024, to February 16, 2024. Families were asked to participate by swift sent directly from the Principals at Bishop Greschuk Catholic Elementary, Christ the King Catholic Elementary/Jr High, St. John Bosco Catholic Elementary and J.J. Bowlen Catholic Junior High schools on February 7, 2024.

The feedback gathered from the survey will be used to inform Facilities and Alberta Infrastructure on the programming suggestions for the new K-9 school in Crystallina Nera.
