RE: LIGHT DUTY CUSTODIAL – FLEX PLACEMENT IN FTE

Following confirmation of the Employer's annual school enrollment each fall, the Employer confirms its custodial complement (FTEs) for the school year.

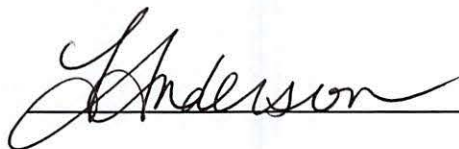

In an effort to retain Employees and as an alternative to Article 18 – LAY-OFF, RECALL AND SEVERANCE, the parties agree to implement a trial process pursuant to which the Employer will initiate offers of flex placement to Light Duty Custodial Employees. The offer of flex placement would either increase or reduce the FTE of an affected Employee to a maximum of 0.125 FTE (up to 5 hours per week). Notwithstanding the foregoing, no Employee's FTE will be reduced below 0.375 FTE.

The affected Employee will be provided with five (5) working days to review and response to the flex placement offer. If there is mutual agreement between the Employer and the Employee, the FTE change will be actioned.

The Employer reserves the right to invoke Article 18 if all issues of excess FTE are not dealt with through the flex placement process.

This letter is proposed as a pilot from the date of ratification of this current agreement to November 30, 2028. However, following the first implementation of the pilot, the Employer and the Union will meet to complete an evaluation of the pilot. If either Party is dissatisfied with the pilot, they will have the right to withdraw from this Letter of Understanding.
