POTENTIAL CAREERS

- Business
- Accounting Clerk
- Office Supervisor
- Payroll
- Bookkeeping
- Billing / Data Entry
- Data-Based Administration
- Financial Services

COURSES

- Introduction to Accounting (BA 1110)
- Principles of Accounting (BA 1120)

BENEFITS

- Earn credits in high school and post-secondary at the same time
- Successful transition to post-secondary and/or the workforce
- Learn about potential careers
- Minimal costs
- High school and post-secondary credits will be indicated on your high school transcript
- Experience a post-secondary course within the comfort of your own high school atmosphere
- Opportunity to find employment in a business field upon completion of the Accounting Technician Certificate
- May continue to work towards your Business Diploma and a University Degree

POST-SECONDARY TRANSFER

Some course work completed in the Accounting Technician program can qualify for transfer credit towards post-secondary programs such as the NorQuest Business Administration diploma program. Course work completed at another post-secondary institution may be equivalent to course work at NorQuest College. A formal assessment will be made to determine whether these courses qualify for transfer credit.

COSTS

- Minimal costs for each course to cover textbook rental and supplies.
