EDMONTON CATHOLIC SCHOOLS

Dear ECSD Families,

The Government of Alberta has introduced a [Parent Payment Program](#) to assist families with extra costs due to the [provincial labour disruption](#) that has resulted in the cancellation of classes. Registration for the program opens today.

Eligibility is limited to children aged 12 and under, or students between the ages of 5-17 who have an active Family Support for Children with Disabilities (FSCD) agreement.

To apply, you will be asked to provide your child's Alberta Student Number (ASN). The ASN is a unique identifier assigned by the Government of Alberta to every student enrolled in the province's education system.

Here is how you find that number:

1. Log in to powerschool.ecsd.net and enter your username and password.
2. Once you are logged in, you will be taken to the PowerSchool main page. Near the top right-hand corner of the screen, you will find two distinct numbers related to your child: ECSD Student ID and ASN. To register for the Parent Payment Program, you will need the ASN. If you have more than one child enrolled in Edmonton Catholic Schools, each child's name will appear as a tab in the top left area of your screen. Click on each name to toggle between student profiles and view the ASN for each child. [Click here](#) for an example of where to find the number.

As this is a unique number given to all learners, ECSD staff will be unable to give out anyone's ASN. For a list of eligibility requirements and all other details associated with the Parent Payment Program, please visit alberta.ca/parent-supports-during-school-closure.
