ACCOUNTABILITY/ASSURANCE SYSTEM

Principals are responsible for the annual preparation of a three-year School Plan for Continuous Growth to provide assurance to stakeholders that the school is addressing needs identified through data analysis and stakeholder engagement. Principals are also responsible for providing an annual report to stakeholders to demonstrate results in those identified areas of accountability. Procedures involving our Division's assurance and accountability can be found in [AP 102](#).

The Edmonton Catholic School Division provides inclusive learning opportunities in accordance with the six principles of inclusion set out by Alberta Education. These principles are at the forefront in guiding decisions and practices that support student access to learning, sense of belonging and success. Our Inclusive Education multi-disciplinary teams identify strategies that help remove barriers within learning environments, strive to develop meaningful and engaging activities for all and ensure high expectations of all students.

PARENT/GUARDIAN INVOLVEMENT

The 2022/23 school year involved many opportunities for Division administration to work alongside our community partners to provide everyone the opportunity to provide their feedback. ECSD's parental involvement in their child's learning continues to thrive as witnessed in the growth of the excellent measures surrounding parental involvement.
