Welcome

Dear St. Brendan Community,

Welcome to a new school year! I am the new principal tasked to lead this wonderful learning and faith community. I am very excited about this challenge. I have been involved in bilingual or second language education throughout my career of 27 years - teacher and administrator in the Ukrainian Bilingual Program (elementary and junior high) and an administrator in the Italian as a Second Language Program. Now I will be adding Spanish to my portfolio! I will be beginning my 8th year as a Principal in ECSD, after assignments in St. Martin and St. Philip schools. I am a big believer in building community and in creating conditions where every child looks forward to coming to school. I hope to live and lead by example this year's district theme: "Walking Together in God's Love". I am focussed on facilitating an environment that results in success for every child, academic excellence and great school spirit.

Please join me in this journey that God has put us on together. I look forward to seeing and meeting you all in the coming days and weeks. God bless you and God bless our school year here at St. Brendan.

Mr. Taras Podilsky - Principal

Short Prayer for Children

Dear Lord and Father of all, Thank you for today. Thank You for ways in which You provide for us all. For Your protection and love we thank you. Help us to focus our hearts and minds now on what we are about to learn. Inspire us by Your Holy Spirit as we listen and write. Guide us by Your eternal light as we discover more about the world around us. We ask all this in the name of Jesus. Amen

REVISED ASSESSMENT AND REPORTING DISTRICT PROCESS FOR JUNIOR HIGH

With the recent revision of our assessment administrative procedure which highlights the importance of student understanding of learner outcomes and success criteria as well as assessment that is ongoing, our school district will work with a revised assessment and reporting structure this 2018-19 school year. Key elements include:

September: homeroom teachers email parent/guardian of each homeroom student to initiate contact and invite communication about student progress and well-being throughout the year.

November/December: parent/student/teacher interviews to review student progress with school work and PowerSchool quick look up as evidence and to set goals for continued progress and success; the homeroom teacher will follow-up, through email, with parents of students who show signs of struggle who did not attend an interview.

January 31th: an eLuminate progress report as per usual district standards with comments and learner skills.

March: parent/student/teacher interviews to review student progress with school work and PowerSchool quick look up as evidence and to set goals for continued progress and success; the homeroom teacher will follow-up, through email, with parents of students who show signs of struggle who did not attend an interview.

June 28th: an eLuminate progress report as per usual district standards with comments and learner skills.

We look forward to ongoing communication with you throughout the year as we work together with your child to support their progress and success.

We will meet in the gym at 6:30 p.m. Please join us for this very informative evening.

Protocol for Parent Concerns

Edmonton Catholic Schools recognizes the freedom of all members of the school community (students, staff, parents and neighbours) to voice their concerns in an appropriate manner to the appropriate school personnel. The principle of "first contact" needs to be followed. The person(s) who has the concern, has the responsibility to begin addressing the concern directly with those persons with whom they have the concern before taking their concern elsewhere. If resolution is not found please involve the school administration.

SwiftK12 Alerting

If your child is absent from school and the school has not received a phone call indicating the reason for absence, you will receive an automated phone call from the SwiftK12 Alerting Voice system. This system will also be used in case of emergency, and to send general information messages to either specific classes or the whole school. More information about receiving announcements through Swift will follow.

Parking / Student Drop Off

Parents, for the safety of our staff and your children, please **DO NOT** use the staff parking area or any areas assigned for Yellow Busses for student drop off and pick up. Doing so creates a safety hazard for all, as well as a traffic blockage. Thank you for your cooperation!

What I Learned Over the Summer: Martyrdom and Witnessing to the Beauty of Faith

After a relaxing and enjoyable summer, we return once again to the classroom, renewed and full of excitement as a new School Year begins.

When I was a student, our teacher would welcome us back, then invite each of us to share something special that happened during summer vacation.

In keeping with this tradition, one of the highlights of my summer was a trip to Ukraine. I sit on an international advisory committee with Patriarch Sviatoslav, the Father and Head of the Ukrainian Catholic Church worldwide. Our small group of five bishops (we affectionately call ourselves the “G5!”) is a bit of a “think tank,” reflecting on the where the Holy Spirit is calling us to be as Church in the years to come. (Now my friends – if I may call them that – asked me “How in the world did I get on a think tank?” Of course, what I heard was, “Oh, how wonderful, Bishop David, that you’re part of this exciting and visioning process!”)

Anyway, after two days of meetings, I took part in a pilgrimage to Stradch, near Lviv, western Ukraine. In 1951, Rev. Mykola Konrad, the local pastor, was called to make a sick call to an elderly parishioner. Today, that would not be anything extraordinary. However, in 1951, communism was in full strength and the Church was outlawed in the Soviet Union. Father Mykola, accompanied by the parish cantor, Volodymyr Pryjma, went in secret to administer the Sacraments of Holy Communion and Penance to a member of their flock. Perhaps it was a setup by the communists. When they arrived, they were killed on the spot, dying the death of a martyr for the faith.

Each year, this year included, the local parish in Stradch organizes a pilgrimage in honour of the Holy Martyrs Father Mykola Konrad and Cantor Volodymyr Pryjma. The pilgrimage Divine Liturgy was lead by Patriarch Sviatoslav, 12 bishops (including me), and 200 priests. If that is not awesome in and of itself, some 30,000 children, youth, families, and elderly men and women joined in the celebration, many walking on foot the 15 kilometre trek from Lviv! To say it was inspiring sells it short; I was spellbound. The event instilled in me faith beyond words.

Martyrdom. Witness.

All of us may not be called to martyrdom like Father Konrad and Cantor Pryjma (thank God!) However, the scriptural meaning of martyrdom (from the Greek *marturia*) means witness. Indeed, the entire mission of the Church, entrusted to us by Jesus, is to give witness to the love of God the Father in the world today. Jesus, after his resurrection from the dead and just before he ascends to heaven and to the Father, tells his disciples, “You will be my witnesses in Jerusalem, in all Judea and Samaria, and to the ends of the earth” (Acts 1:8).

During this new School Year, may you and I be true witnesses of Jesus’s love and mercy to our classmates, teachers, parents, brothers and sisters, friends, neighbours, and strangers.

And, in so doing, let us recall the words attributed to Saint Francis, “Preach the Gospel at all times, if necessary, use words.”

Have a great School Year!

God bless!

Bishop David

ST. BRENDAN SCHOOL
Assumption and Resurrection Parishes
Message from the Parish - September 2018

The community of schools affiliated with Assumption and Resurrection Parishes are: St. Gabriel Elementary School, St. Brendan Elementary and Junior High School and Austin O'Brien High School.

St. Brendan School not only has a group of dedicated teachers and staff, but an entire community of parents committed to nurturing, in their children, a strong faith in the teachings of Jesus Christ. As partners in nurturing the faith, the school, the parish and the family work together to build a **dynamic Catholic partnership!**

To that end the parish and school are planning the following for the children and staff: organizing regular school Masses, receiving support in teaching areas specific to the faith, joint involvement in school celebrations, providing information and invitations to the Sacramental Preparation Programs for First Holy Communion, First Reconciliation and Confirmation, school visits with Father Philip and joint involvement in Social Justice activities.

Please check our website at <http://arparish.ca> for Mass times and upcoming events.

If you have any questions, please feel free to contact our **Parish/School Liaison and Coordinator of Sacramental Programs:** Janet Campbell (780-468-04071) or email protect@assumptionresurrection.ca

WALKING TOGETHER IN GOD'S LOVE

Act Justly, Love Tenderly, Walk Humbly with Your God. (Micah 6:8)

Welcome to the 2018-2019 school year, our 130th year of Catholic education in Edmonton Catholic Schools! Our theme for this year, *Walking Together in God's Love*, provides us with a beautiful image of the journey that your children experience daily as they learn and grow in Christ. Our guiding scripture passage this year from Micah tells us what God asks of us: to act justly, to love tenderly, and to walk humbly with Him. In return, we receive the comfort and joy that comes from knowing that He is with us always!

As we live out our mission to provide a Catholic education that inspires students to learn and that prepares them to live fully and to serve God in one another, we have established our District Plan for Continuous Growth 2018-2021 to guide the work of our schools. We begin with our identity as a Catholic school district, followed by five goals that focus on teaching, learning, and student experiences. I invite you to visit our website to learn more about our goals and the key strategies that we will be implementing to achieve them at https://www.ecsd.net/AboutUs/annual_reports/Pages/District-Plan-for-Continuous-Growth.aspx.

Edmonton Catholic School District Goal: Live and enhance the distinctiveness of Catholic education

- Goal One: ECSD students are successful.
- Goal Two: ECSD supports First Nations, Métis, and Inuit students' success.
- Goal Three: ECSD respects diversity and supports inclusion.
- Goal Four: ECSD has excellent teachers, and school and school authority leaders.
- Goal Five: ECSD is well governed and managed.

In his apostolic exhortation *Gaudete et Exultate, Rejoice and Be Glad*, Pope Francis shares signs of holiness in the world today. In his writings we can see the holiness of Catholic education which is lived out in our schools daily: "A community that cherishes the little details of love, whose members care for one another and create an open and evangelizing environment, is a place where the risen Lord is present, sanctifying it in accordance with the Father's plan" (145).

I wish each of your families an exciting and rewarding year where you experience the holiness that comes from walking together in God's love with your school community!

Sincerely,

Joan Carr
Superintendent
