September Newsletter

Welcome, to my grade 6 classroom! My name is Mrs. Santin and I will be your child's homeroom teacher for this school year. Unfortunately I have not been able to join you yet due to a broken foot but I am very excited about getting back to school as soon as I can. In the meantime, we have all been very lucky to have Mrs. Simmons in to teach and support the students. I have been communicating with her daily and she assures me that this first week back has been wonderful! I invite you to attend our Meet the Staff evening on September 20 @ 6:30 pm where you'll have a chance to meet me and the rest of our wonderful staff at OLOV.

Our Classroom Community

As unique individuals, each child brings strengths that will continue to make our classroom a pleasant community of learners showing respect, trust, and encouragement to each other. I believe that students have a responsibility to be on task, to work hard, and to always do their best.

Agendas:

Students have all received an Agenda to keep them organized and up to date. They will be given time to record important reminders and homework. In order to aid them in their success, I ask that parents check and sign Agendas every night so that students do not fall behind.

Homework:

- Any homework that is given to students throughout the year is for the purpose of: extra practice and any unfinished in class work.
- Students will have ample time to complete any assignments and projects in class. If they do not finish in the given time, it is their responsibility to complete this for homework.
- All quizzes and tests will be sent home after they are marked. These tests need to be signed by a parent/guardian and returned.
