## Grade Four News

My name is Mrs. Williams, and I am new to the school. I have been enjoying my time getting to know the students in class and looking forward to the school year with them.

Our first few days have been working on getting back to developing relationships, creating classroom expectations/norms and establishing routines.

## Student Agendas

All students in Grades 1-6 have been given a school agenda. Like all other students, the Grade four students' agenda will support communication between home and school as well as providing a place for students to record homework and upcoming events. Please make sure that the agenda is brought back to school every school day with your child. Please read and **sign the agenda each night**. Your child's agenda is also a great place for you to send any notes or questions you have for me and/or about school in general. I will also initial so that you know I've received your message.

## Other Ways to Communicate

Please do not hesitate to contact me with any questions or concerns. I can be reached at the school phone number 780-489-7630 or by email at [minnie.williams@ecsd.net](mailto:minnie.williams@ecsd.net)

## Electronic Newsletters

The class monthly newsletter will only be posted on our school website and sent by email as we move to a paperless format. Other important pieces of information will also be sent out by email. Please ensure you have provided a current email address that the newsletter can be sent to.

## Power School

Power School is a website that will be used throughout the year. Please ensure you visit the office to get a log in i.d. for Power School. Your child's progress reports on subjects will only be accessible electronically via Power School. As well, any payments (field trips, busing, in school activities) throughout the year can be made online through this website. Please familiarize yourself with the portal and any questions can be directed to our secretary Mrs. Barnabe who is happy to help.

May God Bless Your New School Year  
Abundantly!
