January 2019

Principal's Message

Happy New Year to all our Mary Hanley Community! We wish you many blessings, much joy, and good health for this coming year. Hopefully the Christmas break was a time to rest up, rejuvenate, and spend time with family.

Thanks to all parents for the support during a busy month of December. Your help and participation on the skiing field trip, hot lunches, Advent concert, and switches of dismissal times was appreciated!

We continue to build this school up as a place of JOY! Our students are leaders in how the spread joy to one another in service projects, buddy classes, leadership roles, and their overall great manners. It is so nice to see them come in with a big smile and cheery "Good Morning!" They hold doors open for others and look out for our younger students.

Have a most wonderful and blessed 2019!
