Principal's Message

Hello families of Mary Hanley! Welcome to June. We have a very busy month ahead as students prepare for exams, classes finish off projects for the year, fieldtrips happen and teachers are busy wrapping up assessments so that everything can be entered into the final report cards. It is also a time of transition as families and staff prepare to move on to new challenges of junior high or a new school. We look forward to the many activities during the month of June from our final School Council meeting, Grade 6 Patrol Picnic, Family BBQ night, Fun Day, Grade 6 Talent Show, and Farewell Celebration. We all want to say a HUGE thank you to all of our parents for the wonderful support you have given to your children this year and to Mary Hanley School!

We also want to ask for your blessings and prayers as this school year draws to a close. There has been much great growth and so much to celebrate. Our gratitude for all the gifts everyone has shared continues!

Happy Father's Day

This month we ask for blessings on all the fathers in our school community—June 16 is Father's Day!

At the end of June, report cards will be available online on June 28 starting at noon. We will also be sending home supply lists and fees for the upcoming year. All fees may be paid online or in September.

School Advisory Council 2019

The last SAC meeting for the school year will take place on Wednesday, June 5 at 6:30 p.m. Please join us as we close out the year with a short meeting.

The staff and students of Mary Hanley School would like to take this opportunity to thank the school council for the support given throughout the year.

Mary Hanley Annual Walk-A-Thon

The annual Walk-A-Thon was a great success! Our students were walking and running, having a great time - the positive attitude and movement that day was incredible! As usual, our school and community came together to make the event a success.

Thank you to all our families that supported this year's event and to the volunteers that made this event a huge success.

At our prize assembly, students were very good supporters of one another with the winning tickets. Also, at this point over **\$13,000** has been counted as our total for the year. Thanks to our School Council for their continued support.

Thank you!!!!

Corpus Christi Parish Team

Many thanks to Father Joseph, Father Fr. Jossy, Deacon Gem, and Sr. Delia from Corpus Christi Parish for their active involvement and role in educating our children about our Catholic faith. Our students have enjoyed the pastoral team's weekly visits and commitment to our school celebrations. We value the vibrant connection of home, parish and school.

Many of our students have celebrated sacraments through this year and we give thanks for all of those blessings! If your child has not had their first communion/first reconciliation yet (gr.3 and up) or is looking to get confirmed (gr. 6 and up), please watch for registration dates coming in September.

May God bless and protect our brothers and sisters of Corpus Christi Parish this summer holiday, and always.
