OPEN HOUSE INFORMATION

We are holding two separate information evenings to introduce you to the programming available at our school. All students and families are invited to attend either or both evenings.

ENHANCED ACADEMIC PROGRAM INFORMATION EVENING

Tuesday, January 15, 2019 at 7:00pm

The Enhanced Academic Program (EAP) is an academic program designed to challenge students by going deeper into the curriculum. Assessments in the EAP are the same as those used in the regular program, but students have the chance to delve deeper into the topics covered in the grade appropriate curriculums. The evening is designed to provide information to families about the program and registration requirements. The meeting will be held in the school gymnasium and there will be no school tour.

GENERAL OPEN HOUSE February 11, 2019 at 6:30pm

This evening is an opportunity for families to explore the school and learn about the programming available at our school. We will start with a short program in the gym followed by self-tours of the school and various classrooms.

If you have any questions regarding junior high registration, please contact the school principal, Mr. Peter Meurs, at 780-475-6262.
