- Locks will be provided by the school for all student lockers; locks must be returned to the school at the end of the year. Students who do not return locks at the end of the year will be expected to pay the replacement cost.
- Physical education clothing is mandatory for all students during physical education. Each student must have shorts or sweatpants, a t-shirt, and running shoes. They may bring their own from home, or they may purchase shorts and t-shirts directly from the school. We will also be introducing an online store in the Fall where students will be able to order items directly. If planning to purchase from the school, please note that items will not be released until payment is received.
