2019-2020 GRADE 10 REGISTRATION INFORMATION

Choose the Category that Applies to you:

ECSD Student who Resides In our Attendance Area

Holy Trinity staff will visit the following schools to complete course selection:

Please check with your junior high for your registration date.

You will be selecting your courses based on your current junior high marks. If your mark, in a core subject, changes by June, you can make course changes at the school on the **Grade 10 registration day in August.**

Other ECSD Student

If you attend another Edmonton Catholic High School or an Edmonton Catholic Junior High School that is not listed, please attend the registration evening on March 21, 2019 at Holy Trinity High School.

You will need to bring with you a copy of your last report card.

*Please note that all other ECSD students will be placed on a wait list

Student New to Edmonton Catholic Schools

If you do not attend an Edmonton Catholic School, you will need to visit Holy Trinity to be considered for admission. Please visit us on March 21, 2019 during our registration evening.

Please bring with you all acceptable documents and a copy of your last report card.

*Please note that all students new to ECSD will be placed on a wait list

Fine Arts**Description**

Art 10	Foundational course focused on critical analysis of art, exploration of a variety of media and technical skills.
Drama 10	Introductory course for students interested in studying all aspects of theatre.
Film and Media Arts 10	Introduction to film and media arts exploring different styles of film, directing, writing and film creation.
General Music 10 AP (Piano / Guitar)	Beginning piano or guitar with no previous experience.
General Music 10 H (Drumline)	Introductory drum and percussion ensemble. No experience required.
Instrumental Jazz 15	A jazz ensemble for students with instrumental music experience. Co-requisite is Instrumental Music 10.
Instrumental Music 10	A full ensemble experience for students with band experience. Performances and festivals occur throughout the year.
Choral Music 10	Ensemble singing in a variety of vocal styles. Performances occur throughout the year. This course has no pre-requisite.

CTS**Description**

Communication Technology	Students develop skills in video production and digital design in an engaging, hands-on learning environment. Products include custom t-shirts, posters, and vinyl decals.
Computer Science	Introductory computer programming with an emphasis on CSS, HTML, Java and JavaScript. Hands on learning using the Raspberry Pi.
Construction/Fabrication	Students are immersed into a full construction/fabrication shop to produce various projects.
Cosmetology	Students will understand and express creativity through hair, make-up and nail design with professional career focus, competitions and apprenticeship.
Design Studies	An exploratory course focusing on the development of both hand drawing, computer automated design skills, 3D printing and 3D modelling.
Foods	Students develop basic kitchen skills, examine nutritional value of foods and learn proper food preparation techniques and cooking methods.
Outdoor Education/Wildlife	Introduction to wildlife conservation and management, animal identification, survival skills and archery. Culminating activity is a camping trip.
Sports Performance	For students with a passion for athletics, sports and fitness. Combines classroom and activity based learning.
