

NOTIFICATION OF EXTENDED VACATION FORM

What will be missed educationally:

COURSE	TEACHER	List of Educational items that must be made up	Current Mark

Please understand that the student will not be allowed back into the classroom until all of the educational items listed above have been completed. The student will be able to use the CONFERENCE ROOM to complete any outstanding Exams, Quizzes, and/or Assignments. This is to ensure that the student is caught up and a mark of zero is not assigned. The student has to realize that this will take place on the first day that they are due back to the school and thus they need to be prepared.

A note to the Parents/Guardian from the Teachers

A Student's attendance in class is essential for their learning, understanding, and success in the course.

When a parent/guardian has decided to permit their child to travel during the regular school months, this results in the loss of essential instruction.

The student and parent/guardian must realize the consequence of such absenteeism.

We understand that much can be gained by the student while travelling, but much is also lost at the educational level as well.
